NOTES TO APPLICANTS FOR MEMBERSHIP

1. All applications for membership have to be approved by the Council of the Club
2. Applications for House membership must be accompanied by the current annual House membership subscription.
3. When admission to Ordinary, Country or Junior membership has been approved, the applicant will be officially notified by the Secretary who will request that the appropriate entry fee (where applicable) and subscription be sent to the Secretary as soon as possible on receipt of admittance to membership of the Club.
4. Unless notification has been received from the Secretary, applicants who wish to play on the course must pay the current green fee.
5. New members who fail to pay the entry fee (where applicable) and the subscription within one month of demand will have their registration declared invalid and re-application will have to be made.
6. Acceptance of membership implies that applicants have no objection to the information supplied above being kept in a computer record and used by Club Officials.
