

## PGA Head Professional

Elgin Golf Club have a vacancy for highly motivated, enthusiastic, and hardworking PGA Head Professional who is looking to further develop their career by joining our dedicated team. The successful candidate will have a passion for the development of our Junior and Beginner Programmes. A desire to provide the highest level of service to all members, and guests alike is also required. We have ambitious plans for growth and development with the perfect individual being able to help us achieve those plans.

Elgin Golf Club is a premium golf club offering the highest standards to its members and visitors on and off the course. Our aim is to be the best inland course and club in the North of Scotland and be the club of choice in Moray. We have good membership numbers and this is part of what we believe contributes to be the “Elgin Experience”. Our golf course is maintained to the highest standards and our club house is warm and welcoming where our members and guests “Experience” the best of service and facilities.

This varied role which includes sales from our generously sized shop, teaching and custom fitting is an important role at this busy private members Club servicing a 700 strong playing membership. EGC has practice and coaching facilities, which we are looking to develop but includes our short game area, 250 yard long game area, Practice putting and practice hole.

Applicants should be well presented, approachable, friendly, and confident working in a customer focused environment. Strong communication skills, and a demonstrable product knowledge are also required. In addition, the ideal candidate will be IT literate with experience of Golf Management Software, in particular, BRS, Club V1 and VMS.

To apply, please send your C.V. and a covering letter to:
